- ☐ Touched by Strangeness - When you Enlighten!, include one strange fact that is not part of real-world history. This is now true.
- ☐ Called down Hidden Paths - When you indulge a Virtue or Vice to clear a Condition, the Hidden World notices. You or the Director introduces a strange sign, supernatural clue, watchful interloper, etc.
- ☐ Scarred by Trackless Wastes - Reduce your Charm by 1 and increase your Brains by 1. Any serious conversation you have eventually bends toward the Unnatural. You may now attempt The Occult Move.
- ☐ Bound to Forbidden Worlds - Take the -0 Condition "Obsessed with the Uncanny" (This overrides any existing -0 Condition). This Condition cannot be cleared.

SIGNATURE WEAPON

In addition to your regular gear, take one Signature Weapon:

Name: _____ Weapon Type: _____

Description: _____

Choose 4 Tags from below:

- | | |
|---------------------------------------|---|
| ☐ Shoot! | ☐ Fight! |
| ☐ Lethal | ☐ Non-Lethal |
| ☐ +1 Harm | ☐ Concealable |
| ☐ +1 More Harm | ☐ Long-Range |
| ☐ Silent | ☐ Utility: _____ |

You may also take 1 of the following drawbacks to add an additional tag from above: ☐ Loud ☐ Messy ☐ Unreliable ☐ Reload ☐ Unstable

If for any reason, you lose your Signature Weapon, you will always get a chance to recover it or to acquire a replacement.

You get four Soldier moves. You get this one:

☐ **Battle Scars** - The war has left you with a deep physical and/or psychological wounds, (represented by your Vice) but with those wounds comes wisdom. When using your Vice to clear a Condition, gain 1 Hold that may be traded 1 for 1 to ask any Investigate! or The Third Degree! question about any situation or person encountered so far.

Then pick three of these:

☐ **Crowd Control** - You are an expert in fighting multiple combatants. On any Fight! move, even a failure, you always deal 1 additional Harm, but that Harm can only be applied to Mooks.

☐ **Sniper** - You are an expert at long-range target elimination. On any Shoot! move, even a failure, you always deal 1 additional Harm, but that harm can only be applied to Heavies, Bosses, and Villains.

☐ **True Grit** - You can overcome danger through sheer brawn and grit. Any time you are In Jeopardy! You can roll +Tough.

13+: Unmark In Jeopardy! and clear your lowest severity Condition. If you have no Conditions, gain an Edge.

10-12: Unmark In Jeopardy! and gain an Edge.

7-9: Unmark In Jeopardy! but lose any Edges you have.

6-: You are still In Jeopardy, but it is somehow just a little worse. The Director will tell you how.

☐ **Tactical Genius** - If given sufficient time to plan something (a Fight, a Chase, a Trap, an infiltration, etc), you may distribute an Edge to each other Hero that is involved in the planning session. That Edge is available for duration of the encounter.

☐ **Intimidation** - If are willing to rough someone up, you can roll +Tough to instead of +Charm to give someone The Third Degree! However, you never add a Contact's Rating when using Intimidation, and any result other than a 10+ you having to do them real harm to get the answer you want.

☐ **Situational Awareness** - When you Look Out!, you may roll +Nerve instead of +Sharp

☐ **Saboteur** - When you use Sneak! to infiltrate a secure area alone, roll +Nerve. 10+: gain 3 hold. 7-9: gain 1 hold. As the Director describes the infiltration and the security measures you must overcome, you may spend 1 hold to describe how you overcome the obstacle and:

- bypass a security system or guard
- leave a trap for the unwary
- disable a guard
- disable a security system you have bypassed

On a 6-, you still gain 1 Hold, but you find something unwanted along the way

INTRODUCTIONS

When you get here, wait for everyone to catch up so you can do your introductions together. Go around the group. On your turn, introduce your Expert by name and look, and tell the group what they know about you.

HISTORY

- _____ They helped you in treating your Battle Scars. Tell them what that treatment was.
- _____ They stood between you and what you needed to find out. Ask them why.
- _____ They also lost a friend or relative to the War. Ask them who it was.
- _____ Relations, close or distant. Tell them exactly what.
- _____ You saved their life, back when they were a pathetic new recruit. Ask them what you saved them from.
- _____ You respect their hard-earned knowledge, and often come to them for advice.
- _____ They showed you the ropes when you were learning how to fight.
- _____ They saw you absolutely lose it and go berserk. Tell them what the situation was, and ask them how much collateral damage you caused.
